Photographs of students

The school maintains a database of photographs of school events held over years. It has become customary to take photos of students engaged in activities and events in the interest of creating a pictorial as well as historical record of life at the school. Photographs may be published on our school/VEC website or in brochures, newsletters, local and national newspapers and similar school/VEC related productions. In the case of website photographs student names will not be recorded with the picture. If you would prefer not to have your child's photograph included in such records, please notify the school Principal.
