

Our Max . . .

Max is our working therapy dog who comes to class to offer an extra support to any student who wishes to avail of his friendly manner and qualified services.

Max has his main office in room 4 where he enjoys the company of many students who pass through this room, throughout his time Max works alongside staff at all times, guided around school for walks at break and lunch.

Max is a qualified , fully insured therapy dog who offers support to anyone who may be under extra pressure or stress at certain times. He has an instinct sharper than most and can anticipate a situation before it happens and can sense your mood. He is extremely calm in situations and gentle in his approach to students.

The positivity and joy he has brought to classes from 1st to 6th year is indescribable. His presence is felt without any interruption to learning or teaching and he has become an integral part of our school community.
